

Darebin Community Legal Centre Volunteer Opportunity

Darebin Community Legal Centre (DCLC) is a not-for-profit community legal service which provides free legal advice and referral to people who live, work or study in the Darebin area. The Centre aims to empower and support the Darebin community through legal advice, advocacy, education and information.

DCLC relies heavily on the work and commitment of volunteers and their time and expertise enables the Centre to provide quality advice and support to clients. Volunteers assist in all aspects of delivery of legal advice and support to some of the marginalised members of the Darebin community.

Volunteers assist in the following programs:

- Legal and paralegal volunteers in our Night Service
- Front office volunteers
- Court admin volunteers as part of our Darebin Intervention Order Service (DIOS) program.
- Caseworkers and paralegals assisting with our Generalist and Family Law programs
- Advocacy workers as part of our Prison Outreach program

Vacancies

The following positions are currently available:
